CORE COMPETENCIES

Time-definite courier and local delivery with documented custody from pickup to signature.

- **Scheduled Route Courier:** recurring daily, weekly, or multi-cycle pickups and deliveries across multi-site networks, run by dedicated drivers with named backups.
- **On-Call & STAT Delivery:** guaranteed response windows as tight as 30 minutes, with direct point-to-point runs for time-critical material.
- **Accountable & Chain-of-Custody Transport:** barcode scan at pickup, tamper-evident sealing, geotagged e-POD, and same-day manifest reconciliation for CUI, PII, legal and financial documents, and evidence.
- **Medical & Clinical Logistics:** specimen and lab transport, pharmacy and inter-facility deliveries, temperature-controlled handling with data-logger verification, and HIPAA-compliant PHI handling under a BAA.
- **Interoffice Mail & Distribution:** inbound/outbound mail runs, bulk consolidation, and warehouse-to-site resupply.
- **After-Hours, Weekend & Emergency Coverage:** holiday standby and continuity-of-operations support during weather events and facility disruptions.

DIFFERENTIATORS

- **Dedicated capacity, not spare capacity.** Assigned vehicles and named drivers per contract. Government work is never filler inside a mixed commercial network.
- **24/7 dedicated runs.** On demand, one client per run, with no other stops along the way.
- **Custody discipline as a system.** An auditable delivery record we can hand a COR within one business day.
- **TSA / Homeland Security approved.** TWIC certified.
- **Owner-level accountability.** The Program Manager answers the phone: no call center, no ticket queue.
- **Low-risk transition.** Structured 30-day phase-in with our own route survey and right of first refusal for qualified incumbent staff.
